Thakur Dass Bhargava Sr. Sec. Model School

Sprawling over the expanse of greenery our school Thakur Dass Bhargava Senior Secondary Model School, Hisar has completed fifty four years. An eminent jurist, educationist, freedom fighter and great parliamentarian Late Pt. Thakur Dass Bhargava laid its foundation stone in 1957. The school was very well nurtured by dedicated social workers and personalities like Advocate Bhakshi Ram Kishan Ji and Advocate Babu M.P. Jain in their capacities as president of the school. Mrs. Krishna Bhargava as the patron and Mr. P.K. Sandhir as the chairperson represent the creative team of the

present management committee. The School being away from the city life provides a tranquil and serene atmosphere. Spread over vast area including aesthetically appealing building on the campus, includes the academic wing, Playgrounds and special beautiful arrangements for nursery and primary kids, well equipped laboratories, botanical gardens and independent computer lab. Due to its nurturing environment our school has produced leading scholars, artists, sportsmen. We can boast of many a leading personalities of the country among our alumni.

Principal Envisions

Dear Readers,

Through this newsletter I would like to convey my hearty thanks to the parents, teachers and students for their continuous co-operation and untiring efforts to bring the school to the heights.

We are performing our best in the development of the child. We assure you that in future also we will provide the best equipment and technology to your child for effective and long lasting learning. Co-operation from your end is also required to meet out the challenges.

I also congratulate the sports department of our school for their best in making North Zone-II Judo Tournament a great success.

This all is not the 'Goal' that we have achieved so far. Education is slow and continuous process and the best never comes especially in the field of learning.

Keep it up in right direction.

Parveen Kumar Patpatia

Principal

Editorial

The aim of education is to draw out the best in mind, body and spirit. This is possible if students take part in multi-faceted activities. Modern education gives facts but no ideas, gives knowledge but no wisdom and ability but no morality. These defects are countered if the students keep themselves busy by participating in different activities throughout the year. Our school caters to all these needs. In addition to good academic atmosphere, we induce the students to partake the facilities of games and cultural activities.

The new session started with a 'Hawan' in which Principal, staff and students took part. It was done to pray to God to make the session a success.

Independence Day was celebrated in the school campus on 15th August. Principal, staff and students of class VII & VIII took part in it. There was cultural programme presented by girl students. The principal exhorted the students to work hard.

CBSE Science Exhibition (16th-17th August, 2011)

A Science Exhibition of CBSE Institutions was held at Tagore Bal Niketan School, Karnal. Our school sent a team under the supervision of Mr. S. Jain and Mrs. Ritula Thakral. The team consisted of 4 students of class XII science. Working models of 'Production of Electricity' and 'Safety System at Railway Crossing' were presented there.

20th July, 2011

20th July, 2011 was a sad day for school because we lost an illustrious advocate and an eminent educationist in the sad demise of Pt. Jagat Sarup, General Secretary of the school. He was thoroughly devoted to the school. He took pains for the well being of the school. He nurtured it so that it might become one of the best school in Hisar. His death is an irreparable loss.
