Structure Stability Certificate

Certified that I visited the Existing school Building **THAKUR DASS BHARGAVA SENIOR SECONDARY MODAL SCHOOL, RAJGARH ROAD, HISAR (HARYANA)** to check the structural stability of the School.

Observations are as follow:-

1. The load of the roofs is on the walls. Walls are sufficient to take the load.
2. School is fully ventilated and lighted and structurally stable.
3. The School building is constructed as per the IS code 456 -2000 of specification and standards.
4. Brick masonry walls are in good condition and floors and roofs are also in good condition.
5. The structure design of the building is safe against seismic (Earthquake) and wind forces and is quite safe for running the school.

In view of the above observations it is reported that the floor of the school is safe for working.
